CUTE LITTLE FUCK DOLL

There's this guy coming over in a little bit to fuck me. But I wish it was you here instead. Why, because I know you would appreciate me more. Oh, I'm sure he'll appreciate having sex with me, but there's just something about a man who really wants to fuck me rather than one that does it all the time. Maybe, when I'm done with him, you'd like to come over and we could play around a little bit?

When I got married, I thought we'd be sharing a blissful life. Then my husband got transferred to St. Louis and we had to uproot ourselves and move. Now his territory is Missouri and mine is the neighborhood. While he's drumming up business, I'm at the pool sucking our neighbor's cock. Now, I'm getting the business. Yes, I'm still fucking my husband, but I'm still pretty young. Besides, there's only so much alone time a girl can handle!

ASHLEY

SHE'S IN PURSUIT OF PINK PLEASURE

I've been told that I'm the typical cute Southern girl. I'm into outdoor activities like hiking, boating, swimming and all sorts of stuff like that (seems most Southern girls like that stuff more). I'm also into indoor activities, especially in the bedroom. That's where I really have fun. I like to live life to the fullest and I am glad that I have my trustly little pink plastic friend that doesn't judge me or run away after I'm finished using him.

MELODY

I'M ALL NATURAL AND I'M LEARNING TO FUCK

I got married young and soon after that started on my adult journey. At first I was really reluctant to do anything sexual in public. That's not how I was raised; but one night after a rather raucous party, I gave my husband a blow job on our host's sofa while a small group watched. After he came, I got a big round of applause and kinda grooved on it. Who wouldn't? They said I was great.

DANCE, KISS, FUCK

There's this hot, jumping club just off of downtown that everyone's been going to. Tonight I'm going to try it and if I recover, I'll write and tell you about it. So we got to the club and I got some drinks in me so I could relax a bit. After that Cassidy, one of the people I went with, asked me to dance and after so many drinks I said why not. So we got on the dance floor and the DJ was pumping out some house music so she started gyrating her ass against my crotch. I put my hands on her hips and went along with her motions to match. She looked back at me with a look of surprise and that wicked smile of hers. We stumbled around the floor a little but settled into groove that seemed to catch people's attention.

They began to join in and dance with us and after a few songs, Cassidy passed me to another girl and then I got passed off to another girl and then I ended back up with her again. By then the song was slower so we were dancing face to face and she leaned in and asked my if I was having a good time. I mumbled I was over the loud music and she flashed that wicked grin again.

The club was shutting down towards 4 am. I was tipsy, she was tipsy, and then she asks if we can go to my house. I said sure but asked why? She didn't say but told me lead the way. So we got in my car and headed to my house. I parked in the driveway and went around to get her door. She stumbled out and said she'd fine just as long as I held her hand so she wouldn't fall.

I had no idea, nor was I thinking about anything happening between me and Cassidy so when we got in my room and sat on my bed and she kissed me I was shocked – and horny as hell. We kissed for a good five or six minutes. Feeling her tongue rolling around in my mouth felt great and my dick was hard and throbbing like it's never done never before. I had never wanted someone so much as I wanted her at that very moment that got me so hard I wanted to fuck her through my clothes. Then the thought of taking off her clothes made me even more excited.

I began disrobing her and as I pulled her top off, I could see she was braless. I checked out her boobs, yes, great, and her nipples, yes hard. I brought my mouth to them and licked around her nipples, watching and feeling them get harder. She began to moan a little and it turned me on. I sucked a little harder as she put her hand around my head gave me a squeeze. I stopped sucking and went back to kissing a little more. Then we both got ourselves totally naked except for my socks and her jewelry. She was a sight to behold.

Hi Lorena,

I saw you in this magazine. You are pretty. I am horny and would like to fuck you. Would you fuck me? I have a nice car and a two bedroom apartment. Right now, I am stroking myself with my left hand and writing this with my right hand. I love good. Tell me yes.

– Shane, Albany, NY

Cassidy and I worked together. She was in her late twenties, married, no kids, and apparently a wild streak in her. I didn't ask about the husband because tonight I really didn't care.

I'm a breast man and I pulled her into my arms and began kissing her. I love kissing it, turns me on. We stood there kissing and then she pulled away, looked down and grabbed my hard shaft, laid down on the bed and pulled me in between her legs. I laid on top and kissed her some more and then she grabs my cock, squeezes it and puts me inside of her. I started to pump in and out real slow as not to cum too fast because I wanted to enjoy every minute of this. She wrapped her long legs around me and pulled me closer to her putting her arms around me.

I now began to fuck her harder and deeper. My whole cock was in her now as she screamed and moaned in ecstasy. I felt her get real wet all of a sudden and grabs me real tight causing me to stop. She loosened her grip and I was able to continue fucking her. She began moving her hips to match my movements. We were moving together and didn't take much longer before I would release my load. She placed her hands on my chest and started pinching my nipples. Two or three pumps later I pulled out and shot my hot cum on her belly. I leaned over her leg and she put her hand on my back, kissed my arm and said that felt good.

That's when the booze really took over and within three or five or ten minutes we were asleep.

...Bradley, Pittsburgh

ARE YOU SURE?

Jared finally is taking me to the restaurant where we first went on a date. It's a famous place in Seattle with not-too-tacky red flocked walls and deep red tablecloths. The garlic knots are to die for so we ordered them as an appetizer when the waiter took our order. We were in a large booth, probably for four to six but it was available and we asked for it. We adjusted the tablecloth so it just touched the floor on the side that faced the dimly lit room. Seated side by side, I slowly pulled up my long, spaghetti-strapped, low cut black dress up my legs, exposing my thighs. I grabbed Jared's hand and placed it over my clean shaven mound. His fingers swirled around, teasing me before touching my naked pussy.

Then he wiggled his two middle fingers between my labia and fondled my clit. I contented myself with a blissful sigh. Under the table, I opened my thighs wider apart and hooked one leg over his closest

I grabbed Jared's hand and placed it over my clean shaven mound. His fingers swirled around, teasing me before touching my naked pussy.

thigh, my pussy spread wide. His forefinger moved toward a new objective and slowly plunged inside my warm, wet hole.

He pushed one more finger inside me, and in another moment his middle finger furrowed to join his forefinger inside me. I let out a soft sigh, and almost slid off my chair into a heap on the floor. His hand moved at my pussy underneath the table cloth, pumped in and out, his thumb pressing on my throbbing clit. I pushed my hips harder against his assaulting fingers, slightly moved back and forth on my chair and tried not to be too obvious.

After a few more minutes of his fingers thrusting inside my pussy, I was about to cum, and was excited by the fact that I had to keep perfectly still. The fact that we could be caught by the waiter or other patrons was such a turn on. My legs tensed and stretched out as I climaxed, my orgasm exploded from my pussy and radiated to my head and finger tips. I panted softly as I came; my hands grabbed the napkins tightly to keep from screaming. His fingers nursed my orgasm until it subsided to gently pulsate and shuddered in my privates.

He brought his fingers up and teasingly sucked his fingers as if he tasted a delicacy before the meal arrived. As I looked at his fingers inside his mouth, I imagined his tongue at my pussy, flicking and rolling my tight bud. Fortunately for me, I came just in time, our entrees now being served. I was flushed, and so I asked for a glass of ice water from the waiter. He asked if I was feeling okay and I replied I was fine, just a little hot. He said he'll be right back with a glass of ice water for me. Before we began to eat our entrees, Jared leaned over and whispered in my ear that he was as hard as a rock. I was drinking wine at the time, and spew the wine out as I tried not to giggle. I coughed into my napkin and smiled at him.

As dinner started, I reached under the tablecloth and unzipped his pants. My hand found his cock and just as he said, it was indeed quite hard. I rubbed and stroked him throughout the entrée. I was playing with his balls as he gave the waiter our desert order. After the waiter departed, I dropped an earring to the floor and knelt down on the floor to search for it. Our position against a corner wall was a blessing as it meant other restaurant patrons would have to look in our direction to see what was going on. As I was on the floor, I quickly crawled under the table cloth and my hands grabbed his cock again.

I quickly latched onto it with my cock-starved mouth. He jerked in his seat; his legs stretched either side of me as I sucked his cock rapidly. My head bopped up and down, hitting the underside of the table a couple of times. At one point as the entrée plates were being cleared, the waiter asked Jared if the entrées were good. As I heard this, I mischievously sucked his cock harder under the table. His hands then reached down blindly under the table and held my chin, and instead of stopping me, he shoved his hips harder into my mouth; I gobbled him up with pleasure.

My tongue pressed harder against his shaft, massaged his pounding cock. Rolling my tongue around the head delicately, I took his cock deeper until the head nudged at the back of my throat, my hand grasped his shaft and tugged firmly. I was determine to taste his semen before our deserts came.

...Arianna, Under the table

I'm feeling super sexy today and I'm waiting for my man to have a nice dinner, but he's a little late, and I'm a little horny, and can't wait. So I put on some sexy lingerie and warm myself up. While his dinner may be cold, I'll be hot and ready to be eaten. Luckily, he came home just in time to munch.

CIERA

I'm the type of woman that goes to extremes. One or two cocks aren't enough for me. Why? Because just as two cocks are better than one, three are better than two and so on. If you haven't tried it, you should. These guys were right on it and each one got what they deserved. And they deserved me. I took them in my mouth and pussy and they each thanked me with a huge load on my face and chest.

I've never hooked up like that before

There are times when I hate being called a MILF, and other times when I love being called a MILF. I have not yet decided, but whichever way I go, I still like the attention. I wore my skirts short and my blouses would be open deep in front that would show my 36-C breasts. I like to watch men staring at me. But I can't decide if I like the younger ones or older ones yet.

I live in the west side of Washington D.C., across the river in Arlington. I'd take the subway into the city for business or to meet girlfriends for lunch in Georgetown. It is an easy ten minute ride. I'm in my early thirties, but dress pretty hot. It's sex that sells, and guys like to see a woman flaunting it, if she's got it.

It's early August and it's hot and muggy and I have to make a pitch at the Washington Design Center to one of the buyers. I am dressed for the weather in a thin blouse and short skirt (of course). But even in these minimal clothes, I still carry an air of professionalism and once I open my mouth to speak, they instantly know that I know my stuff. So I get on the train at my stop and find a seat. Opposite me are two 40+ businessmen stuffed into grey suits and ties. I thought to myself, they've got to be hot in all those stuffy clothes. I was wearing no bra and no panties! I was aware that my blouse was unbuttoned just above the middle of my boobs, and I had my briefcase to hide my pussy as the occasion called for.

These two were constantly looking at me and I have to admit they were both pretty good looking. They'd be looking and pointing at things in the morning paper and then look up at me to try to get a glimpse of my body parts. Their looks were making me breathe faster and I had to bite my lower lip to make sure my breathing wasn't too obvious. After a couple of minutes I casually undid a button on my blouse. One of the men was glancing at me and saw me doing it, and I smiled back at his startled look. I pretended that the weather was too hot. I was looking straight at him and I think he could just begin to see the curve of my breasts. He looked confused, didn't know where to look, but he saw that I didn't mind him staring. He shifted a bit in his seat to get a better view. The other man was reading, but glanced up at this movement and saw me, too. He didn't look down again. They both were looking at the cleavage of my breasts and then into my eyes.

Then I started undoing another button and that really made them squirm. The guy on the right stood briefly, adjusted his pants and sat back down. Both boldly stared at the treasure of my breasts and swallowed hard. I wanted to show them more and tease their excitement some more. But how could I on the subway?

I took my briefcase from my side and held it with both hands in front of me. This caused my arms to push my boobs together and the line of my cleavage became even more pronounced. I then smiled at them and let them know that I was aware of their stares. I looked around the train car to see if anyone was watching our little game but everyone seemed into their newspapers, iPads or conversations. I then uncrossed my legs and placed both of my feet on the floor. Fresh air rushed in my pussy and I felt better.

I followed their gaze as they lowered it to my pussy. I fidgeted with the hem of my skirt and opened my briefcase which made me open my legs a little wider to steady it. I noticed that one of them had his hand on his crotch and was slowly pressing his cock. They looked intently and must have seen my pussy hairs and maybe the lines of my slit. The next stop coming up was mine. I closed my briefcase and my legs and they settled back in their seat. I stood up to exit the train and gave them a little wiggle as I stepped out onto the platform.

I walked over to the Design Center and worked up a little sweat in the D.C. humidity. I showed my pass to the guards and took the elevator to the fourth floor. I had to pee so bad I crossed my legs the entire elevator ride. I hit the rest room as fast as I could and without realizing it, I had run into the men's room. I wasn't paying much attention to the rest room signs as I pushed through the door. But when I got inside and saw the urinals I realized it but there was not time. I apologized to the guy who happened to be using one and went for the nearest stall. I heard him leave and relaxed to empty my bladder.

I finished and wiped up, exited the stall and went to the sink to clean up. Just as I turned on the water, a man came in saw me and did a double take thinking he was in the wrong rest room. I looked at him and smiled and said coyly, "I had to go really bad and this was the closest. I hope you don't mind." He smiled warmly and said it was okay with him; he just came in to wash up.

He walked over to the sinks and stopped one away from me. I could see him angled in the mirror looking at my open blouse as I leaned over to wash my hands. His eyes caught mine catching him looking, but unexpectedly, he did not look away. "Those look quite nice." he said, I though rather boldly. "Thanks" I said "The subway was very hot and I'm trying to cool off before my appointment in fifteen minutes." He asked who I was seeing and I told him. He said he knew the company.

I fidgeted with the hem of my skirt and opened my briefcase which made me open my legs a little wider to steady it. I noticed that one of them had his hand on his crotch...

We looked at each other. His twenty-something age wore well on him. Nicely dressed and confident. He pulled a paper napkin from the dispenser and gave it to me and then pulled more for himself. "So you have fifteen minutes to spare?" he asked. "Yeah." I replied. He then took my hand and pulled me gently to the larger handicapped stall.

We went inside and he locked the door. He reached over and undid the remaining buttons and pulled my blouse out of my skirt. He held my breasts in his hands, kneading them and rubbing them. He slowly raised my left breast to his mouth and kissed the nipple. He started to

I got behind him and a little off the side so I could continue jerking him off. I used my right hand like an expert and feverishly yanked his cock urging out his cum.

rub my nipples between his thumb and forefinger and soon both my nipples were hard. I moaned loudly and my body shook with excitement. I removed my blouse and lowered my skirt and stood utterly naked inside this men's room stall with this stranger.

I spread my legs a little and rubbed my pussy right there in front of him. My pussy was neatly coiffed with a thin strip but clean shaved between my legs. My clit stood out hard and prominent. I opened my pussy lips with my fingers and began to rub a finger all along the slit. He was in a very excited state watching me. I allowed him to suck my nipples. I felt his mouth against my nipple and he sucked it in. He licked it with his tongue and then bit it slightly.

This made me quite hot and I put my hand on his crotch and undid his zipper. His cock was already hard as I pulled it out. Due to his pre-cum, it was already slick and my hand slid along it easily. I rubbed and stroked the shaft for a minute and he then dropped to his knees and started to lick my pussy. I have to admit that felt pretty good. His tongue rolled around my clit making me moan loudly. My ass jerked as his tongue moved all over my slit and finally he pushed his tongue inside my hole and started using his tongue to fuck me.

I moaned and quickly came! My legs trembled as I came and came some more! He then stood up and urged me to make him cum. I picked my skirt up off the floor and put it on the toilet seat. I sat in front of him and pulled his hips towards my face, meeting his cockhead with my mouth. I licked and sucked his cock with conviction that I was going to make him cum in the minutes I had left before my appointment.

I released his cock from my mouth and stood up and took my skirt off the toilet seat and lifted it up. I got behind him and a little off the side so I could continue jerking him off. I used my right hand like an expert and feverishly yanked his cock urging out his cum. My left hand reached under his butt and grabbed and squeezed his balls. I wringed them like a cow's teat coaxing the little spermies to travel up his cock and out his long shaft.

I felt his cock spasm and I knew he was ready; so I pointed it down to the toilet. He spurted it out and with good aim, right into the bowl. The thick white cum hit the water and slowly sank to the bottom. I lifted my leg and pushed the toilet flusher down and away it went, swirling into oblivion.

We both redressed, straightened up and fixed our clothes. He tried to give me a kiss but I didn't have time to redo my lipstick so I told him I couldn't. I unlocked the door since I was closest and pushed it open. I was startled to see an older man standing right there that apparently had been listening to us. I looked down and could see a large bulge in his pants. He looked at me expectantly, but I pushed my way past him and headed for the mirror. My paramour and the man exchanged words for a moment and they headed for the door. I looked at them in the mirror and my paramour mouthed that was his boss. I giggled, finished, and headed to my appointment. Guess who it was with?

Mick and I were enjoying some fruit together, but he wanted to be eating something else, and so did I. No time was wasted getting started. He went right in just the way I like it. He loves licking my sweet pussy and I love having it licked just as much. After returning the favor for quite some time, much to his pleasure, I mount him and things start to get really intense. I love to fuck him and he loves to fuck me.

ESTELLA
BACKDOOR BRAT

I'm very sexual and I think it all started early with me. I loved to masturbate and run my fingers all over the sexy parts of my body. I'd pinch my nipples hard until they were very sore. I then found my pussy has its own charms and I liked every one of them. Soon afterwards, I discovered that playing with my anus felt really good. Now I let guys do that for me and every one has loved playing back there.

BIANCA

DOES MY FACE SAY IT ALL?

I may not look like an anal whore, probably more like a mama's girl, but I do love getting my ass fucked. Even more than my pussy. Maybe it's the taboo aspect of it that's such a big turn on. Maybe it's the sensitive pleasure nerves that get me stimulated to ecstasy. But before I let that cock into my ass, I have to taste it to be sure it is ass-worthy. And if it is, the better. But whatever it is, you can tell I like it by the expression on my face.
